Servicing & Maintenance Contract

Client: **Aberdeen City Council**

Category: **Annual Servicing, Maintenance and Repairs to Domestic Central Heating Installations**

Date: **January 2013**

We provided a skilled workforce of between 35-40 staff this included 30 engineers with currently 1 Apprentice. We used to TUPE to transfer 13 staff from the previous contractor. We managed 17,500 social housing properties, including 40 with [renewable heating installations](#)

🏠 **17,500 Properties**

📄 **1.5 Million Pound Contract**

✂️ **96 % First Fix**

📋 **100 % Compliance achieved**

We have provided the Council with information to support their Asset Management Strategy including recommendations where systems, controls, pipework and flues are not to current standards.
